(10 marks)

Magic of gardening

Gardening is a fun and healthy outdoor activity. Many people grow flowers, vegetables, and fruits in their gardens. It helps people relax and stay active. A garden needs water, sunlight, good soil, and daily care to grow well. Some plants grow fast, while others take more time. Gardening also teaches patience, responsibility, and love for the environment. Children and adults both enjoy spending time in the garden, watching the plants bloom, change colors, and become strong day by day.

1. What do people grow in their gardens?
2. How does gardening help people?
3. Name two things that plants need to grow well
4. Who enjoys gardening?
5. Write one thing that gardening teaches us
